

# Jim Taylor

DIGITAL TUTOR

Lots going off this month, both accredited courses, and shorter skills courses. As always, there's something for everyone; for those wanting to start their digital skills journey, those looking for qualifications that will help find work in the digital sector, and those who are looking to do more with the skills and equipment they already have.

## CYBER SECURITY

LEVELS 1 & 2

ACCREDITED COURSE

MONDAY 13<sup>TH</sup> APRIL

Cyber Security is the practice of protecting computer systems from digital attack. This course is a great opportunity to gain a qualification in a growing worldwide industry.

**8-Day Course** - Monday & Tuesday for 4 weeks

## WHAT IS ARTIFICIAL INTELLIGENCE?

THURSDAY 16<sup>TH</sup> APRIL

Do you want to learn more about AI and what it can do? Are you worried about it and its impact on the world? On this course, you'll learn the basics of AI, how to use it, and where it's headed.

**2-Day Course** - Thursday & Friday

## INTRO TO DIGITAL PHOTOGRAPHY

THURSDAY 16<sup>TH</sup> APRIL

Learn about digital cameras and how to take that perfect picture. Use photo editing software to really make your snaps stand out!

**2-Day Course** - Thursday & Friday

## FIRST STEPS WITH COMPUTERS

MONDAY 20<sup>TH</sup> APRIL

Have you never used a computer before? Are you not confident about learning? If so, this course is a great starting point for your digital journey, covering the very basics of using computers.

**4-Day Course** - Monday & Tuesday for 2 weeks

## INTRO TO VIDEO EDITING

THURSDAY 23<sup>RD</sup> APRIL

Use tips from the pros to capture the perfect video footage. Edit the footage using the latest video editing tools to create your own video clip.

**2-Day Course** - Thursday & Friday

## FURTHER ARTIFICIAL INTELLIGENCE

THURSDAY 23<sup>RD</sup> APRIL

Following on from the What is AI? course, you'll learn more about Artificial Intelligence, and delve deeper into how to use it, including how to train an AI to recognise images and gestures.

**2-Day Course** - Thursday & Friday

## PREPARING FOR DIGITAL DESIGN

THURSDAY 30<sup>TH</sup> APRIL

Study the digital world and how to create designs to appeal to your audience. Get to know colour palettes and social media platform audiences and develop an idea for your brand.

**8-Day Course** - Thursday & Friday for 4 Weeks
